

SCHÄFER Container Systems – Our service for your KEG

Profit from the extensive know-how of one of the world's leading manufacturers of KEGs for the beverage industry and extend the service life of your KEG stock.

Your benefit: We aim for quality and that's why we exclusively use original parts.

To keep your KEGs fully functional over many years in their hard day-to-day environment or to enable you to react quickly to changing sales markets, we can offer you a full-range KEG service. And it doesn't matter which manufacturer you bought your KEGs from.

We repair all KEG types.

We repair all KEG types

The services we offer

- Volume alterations, e.g. 50 l to 30 l (except on PU-coated KEGs)
- Partial repairs of damage to the PU jacket on junior PLUS KEGs, PLUS KEGs and SOFT DRINK KEGs
- Repairing partly coated KEGs
- Replacing PP top and bottom rings
- Welding work and repairing dents in top and bottom rings on stainless steel KEGs
- Repairing defective weld seams (except on PU-coated KEGs)
- Neck repairs
- Fitting checks
- Fitting replacements
- Polishing KEGs
- Retrofitting transponders of all types
- Neutralising logos
- Application of new logos
- Calibration
